

Mr. Cow the fantastical forklifter

#6 / **Dig deeper!** What are questions or insights you can give kids from this story?

Questions

1. Do you think Mr. Cow really knew how to drive a forklift?
2. What do you think of the experience he said he had?
"Oh yea. I drove one in couchland."
3. When Mr. Cow used the forklift to pick up ALL the crates - a big stack of crates - the back wheels of the forklift lifted off the ground. Do you know why that happened?
4. Foreman Joe thought Mr. Cow did a great job. Do you think Mr. Cow is a good forklift driver or a bad forklift driver?
What are things you see in the story that make you think that?
5. (How did you come to that conclusion?)
6. Foreman Joe was happy that Mr. Cow used duct tape to fix the ripped seat on the forklift.
Can you see other things Mr. Cow fixed with duct tape?
Do you think Mr. Cow fixed those things the right way?
7. What should Mr. Cow have done when he damaged things or had accidents?
Mr. Cow should have told Foreman Joe!
