Questions

1. Have you ever wanted to be a hero... in space?!
What about just someone who solves the problems and saves the day?
2. Have you ever fixed something and felt like a hero?
3. Have you ever tried to fix something... and it didn't work?
4. Do you think computer bugs are really bugs?
5. Are there times you want to solve a problem... but you don't know how?
Do you feel tempted to just... make up some crazy solution, like Mr. Cow did?
